

# CLASSIC SN GF-5

## SAE 5W-20, 5W-30 & 10W-30

Synthetic blend passenger car motor oil with API SN GF-5 credentials

### APPLICATIONS

All types of service

- **API SN GF-5** multi-grade oils are designed to meet lubrication requirements of today's naturally aspirated, turbo-charged and super-charged gasoline fueled engines.
- **API SN GF-5** multi-grade oils are formulated as synthetic blends to provide excellent oxidation stability, low temperature flow properties and enhanced fuel economy. They meet the low volatility requirements of ILSAC GF-5 for improved engine cleanliness and reduced oil consumption.

### PERFORMANCE

API SN  
and  
ILSAC GF-5

#### SUITABLE FOR:

GM, Ford, Chrysler, Dodge, Jeep, Honda, Acura, Toyota, Lexus, Mazda, Nissan, Infinity, Subaru, Hyundai, Kia, Suzuki and Mitsubishi

### CUSTOMER BENEFITS

Increased drain intervals

High technical  
performance

- Its higher performance level allows longer drains intervals with fuel economy. Most US car manufacturers recommend 5,000 to 7,000 mile drain intervals in these fuel economy multi-grade oils.
- Enhanced detergents, dispersants, anti-oxidants, anti-wear and corrosion prevention properties improve the fluid performance under all types of service.
- Excellent low temperature flow properties ensuring easy cold starts. Engine components are lubricated quickly giving longer life.
